

Name: : AJIT KUMAR TALLAPAKA

Designation : Assistant Professor(C)

Department : CHEMICAL ENGINEERING

Email ID : ajitkumartallapaka@gmail.com, ajitkumar@ouct.ac.in

Ph.No. : 9885214498

Educational Qualifications:

S.No	Course	Specialization	Uni./College	Year of Passing
1	B.Tech	CHEMICAL ENGINEERING	Osmania University	2011
2	M.Tech	CHEMICAL ENGINEERING	Osmania University	2014
3	Ph.D	CHEMICAL ENGINEERING	Osmania University	Pursuing

Work Experience:

S.No	Company/institute	Designation	No.of Years
1	Osmania University	Assistant Professor(C)	3Years

Workshops/ Conferences/Seminars Attended

Workshops attended

1. Participated in Two day National Conference on “strategies for Climate Change Mitigation and Adaptation towards Sustainable Development” on 20th -21st February 2013 Organized by Institute of Public Enterprises, Hyderabad.
2. One day seminar on Recent trends in process intensification methods, University College of Technology (A), Osmania University, Hyderabad, 29-09-2014

3. Attended Workshop on “Computer Solution Tools in Engineering Education and Academic Research(under TEQIP -II) ”. 27th June 2014 Organized by Dept of Chemical Engineering, University College of Technology, Osmania University.
4. COMSOL Multiphysics Modeling Workshop at Hyderabad on January 9, 2015.

CONFERENCES

5. International conference on new frontiers in chemical, energy and environmental engineering (inceed-2015) 20-21march, 2015 department of chemical engineering national institute of technology warangal, telangana - 506 004, india.
6. Titled “OXIDATIVE PHOTOCATALYTIC DEGRADATION OF METHYLEN BLUE IN WASTE WATER” and authored by Ajitkumar Tallapaka and Ch. Sailu, has been accepted for oral presentation at the conference and publication in Proceedings of INCEEE-2015.
7. CHEMCON 2016 Chemical Engineering Towards sustainable Development The 69th annual Session of IChE, Chennai, India 27-30th, December 2016.
8. Abstract number 750, entitled “OXIDATIVE PHOTOCATALYTIC DEGRADATION OF METHYLENE BLUE IN WASTEWATER” has been accepted for poster presentation at the CHEMCON 2016 to be held at Chennai.

Seminars Attended

1. Prof. Puttagunta Venugopal Rao, Renewable Energy (General Overview), University of Ontario, Canada, 2nd March, 2015
2. Dr. Padmini Rangamani Curvature, Stability and signalling in cells, Jacobs School of Engineering, UC san Diego, USA, 3rd July, 2015
3. Dr. Pavan Reactive Distillation: Design and Control Assistant professor, Dept. of Chemical Engineering, NIT Calicut, Kerala 23rd July, 2015
4. Ms. Shri Mulyni Indrawathi The Power Aspiration , the importance of Equal Opportunities Managing director and Chief Operating officer World bank 23rd September, 2015
5. Prof. S.B Jonnalagadda Green Chemistry On Sustainability University of Kwazulu-Natal, South Africa, 2015
6. Shri B.V.Bhadra Girish Role of chemical Engineers in pollution Abatement Environmental Engineer, Andhra Pradesh pollution control Board, Hyd, 2015
7. Chandana pal Challenges and Opportunities in Clinical Trails Chief Administrator, Apollo Research Innovations, Hyd, 2015
8. Technosmania, Seminars on Process Intensification , March 26-28, 2016.
